*A gift to your loved ones...*

## **Final Plan**

The form inside this brochure offers you the possibility of making your final plans known to your loved ones and to those who will be responsible for giving them care at the time of your death. This is an opportunity for you to make decisions about your desires.

The form will be kept in the church's confidential files and will always be available for your revision or should you move to another city.

The completed form will be forwarded upon your request. Copies of the original form will be available for your files or for sharing with your family.
